

Alkazar is a hand tufted rug.

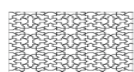

The geometric pattern which decorates this rug is created with bouclé stitches executed with wool braids.

The stitches are tufted at the same level of the wool or silk background.

The background and the braids are dyed in the same colour; silk dyeing results in lighter tones, and this creates a tone on tone effect.

Only one colour can be chosen.

TAAKL01 lana / Wool
TAAK01 seta / Silk

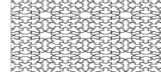

cm 200 x 200
79" x 79"
