

Onda is a felt rug created by joining two felt layers with the Punto Matelassé.

This stitch enables each side of the rug to be produced with a different colour stitching.

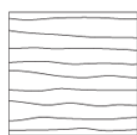

The design consists of an irregular wave relief pattern created by quilting the two layer of felt.

The border features the Punto Cavallo, on request the Punto Pettine.

This rug can be produced only with a double layer of felt.

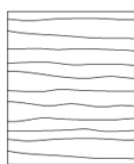

The appearance of the border stitching will be different on the two layers.
