

Flower is a felt rug created with a Punto Passafilo embroidery with a polyester thread and a polyolefin ribbon.

The design consists of large flowers embroidered onto the rug's surface with thread and ribbon.

Each flower has an overall dimension of cm 55 x 55.

The border features the Punto Cavallo, on request the Punto Pettine.

This rug can be produced both with a single layer and a double layer of felt.

In the double-layer rug the underside is always without ornamentation and in one colour.

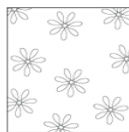

Only in rugs with a width higher than cm 200 the underside shows inner stitching.
