

Series composed of two- and three-seater sofas, modular seating elements and chaise longue.

Move series also includes a pouf available in the same finishings.

Structure: varnished steel provided with elastic belts and covered with synthetic fabric.

Bases: steel varnished in avorio or grafite colour.

Padding: stress resistant differentiated expanded polyurethane; fixed foam covering in recycled and biodegradable polyester fibre and polyamide.

Upholstery: removable and available in the indoor fabrics listed here below.

Coupling system: steel.

Notes: the Move series can be completed by a back support cushion and an independent armrest to be positioned as desired, both made of recycled and biodegradable polyester fibre, a layer of expanded polyurethane and a covering in polyester.

Awards: the Move sofa has been awarded the GERMAN DESIGN AWARD 2016 in the Excellent Product Design category, the RED DOT AWARD 2015 in the Product Design category and the GOOD DESIGN AWARD 2015 in the Furniture category.
