

Bookshelves with two or four shelves.

The series Plano also includes dining tables and a side table.

Base: cataphoresis treated steel, gloss varnished in a colour matching the colour of the shelves. Plastic spacers.

Shelves: in Glaze.

Notes:

The Glaze shelves are created by manually glazing molded elements in porcelain stoneware. The possible, slight colour and appearance differences of the tops are unpredictable and represent the value and featuring characteristics of a fully handcraft work.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
