

Modular seating system composed of large elements with adjustable backrest. The backrests of Agio elements can be flattened or adjusted by means of a mechanism hidden into the padding.

The series is completed by a side table with padded and upholstered structure and wooden top finished Mano Opaca.

**Structure:** varnished steel, seat provided with elastic belts.

**Base:** made of wood in avorio or grafite colour, plastic spacers.

**Padding:** differentiated stress resistant expanded polyurethane, fixed foam covering in recycled and biodegradable polyester fibre and polyamide.

**Upholstery:** removable and available in the indoor fabrics listed here below.

**Notes:** compositions do not require a coupling system.

**Awards:** Agio series has been awarded the ARCHIPRODUCT DESIGN AWARDS 2017 and has been selected for the ADI Design Index 2018.
