

Series composed of seating elements and side table to be used with Bistrò and Mogambo parasols.

SEATING ELEMENTS

Base: support in phenolic multilayer wood.

Padding: stress resistant differentiated polyurethane, fixed foam cover in waterproofed polyester fabric.

Upholstery: removable and available in the outdoor fabrics listed here below.

Notes: the seating elements are positioned around the parasol upright thanks to a recess created into their structure.

SIDE TABLE

Structure: aluminium, matt or gloss varnished in the colours in the collection (reference for colours: Mano Lucida wood sample collection).

Notes: the side table can be fixed to the parasol upright at the desired height; the position can be changed by means of a joint positioned under the table.
