

Series of poufs available in different dimensions.

Structure: polypropylene microspheres, insert in expanded polyurethane covered with water repellent fabric, fixed foam cover in three dimensional polyester fabric.

Upholstery: removable and available in Kimia fabric embroidered by hand with flat braids in Rope yarn.

Notes:

The floral embroideries on the Kimia fabric are made by hand according to predetermined patterns.

A further covering in Luz fabric in matching colour is always added to the foam covering in three dimensional polyester fabric.

The pouf item B149DE can be completed by a backrest to be positioned as desired, made of expanded polyurethane with base provided with ballast (backrest of the Orlando series).

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
