

Large seat with backrest consisting of a single independent cylindrical element.

**Structure:** cataphoresis treated and varnished steel, plastic spacers.

**Seat padding:** expanded polyurethane mixed with recycled and biodegradable polyester fibre, upper layer in recyclable polyester, fixed foam covering in waterproofed polyester

**Backrest padding:** recyclable expanded polyester mixed with recycled and biodegradable polyester fibre, fixed foam covering in black three-dimensional polyester fabric.

**Seat and backrest upholstery:** removable and available in the outdoor fabrics listed here below.

**Notes:**

The backrest is simply laid on the seat.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
