

Chaise longue with backrest adjustable to two different positions, in addition to the rest position.

Structure: varnished steel completed with elastic belts. Plastic spacers.

Padding: stress resistant differentiated expanded polyurethane; fixed foam covering in polyester fibre and polyamide.

Upholstery: removable and available in the indoor fabrics listed here below.

Notes: Linea is one of the first projects resulting from the collaboration between the designer Francesco Rota and Paola Lenti and one of the products that made the company famous around the world.

Awards: the Linea chaise longue received the Mention of Honor of the COMPASSO D'ORO award in 2001.
