

Continuo is a felt rug created with an appliqué design.

Squared elements of cm 8 x 8 are sewn on the felt surface with a slightly irregular rotation according to a pre-determined pattern.

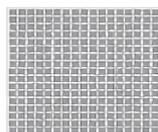

The border of the squared elements and the embroidery that joins them are executed with Punto Zigzag.

The number of squares varies according to the dimension of the rug.

The border features the Punto Cavallo, on request the Punto Pettine.

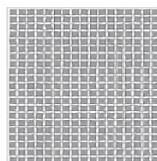

This rug can be produced both with a single layer and a double layer of felt.
