

Armchair with upholstery cover in fabric and wooden legs.

The Elsie series also includes a chair with armrests available in the same finishings.

Structure: steel frame, seat area and backrest provided with elastic belts.

Legs: ash heartwood finished Mano Opaca or Mano Lucida. Spacers in plastic material and felt.

Padding: cold injected stress resistant polyurethane foam; fixed foam covering in recycled and biodegradable polyester fibre and polyamide.

Upholstery: removable and available in the indoor fabrics listed here below.

Notes: the Elsie armchair is completed, as standard, with a back cushion padded in polyester fibre and featuring a removable cover in fabric.
