

Indoor and outdoor seating with symmetric side backrests.

Padding for the indoor version: expanded polyurethane mixed with recycled and biodegradable polyester fiber, fixed covering in three-dimensional polyester fabric.

Upholstery: removable and:

- composed of a layer in synthetic felt - made from polyester fibers derived from the recycling of PET bottles from waste sorting, that will be 100% recyclable again - to which décors are applied, made by using production cuttings of the different fabrics and materials in the collection;
- composed of elements in Paola Lenti Felt sewn together with Zigzag stitch and then decorated with machine embroideries.

Padding for the outdoor version: expanded polyurethane mixed with recycled and biodegradable polyester fiber, fixed covering in water-proofed polyester fabric.

Upholstery: Tamil fabric coupled with black three-dimensional polyester fabric. The upholstery is decorated with machine stitching and embroideries carried out with yarns remaining from the production of the outdoor fabrics in the collection. The yarns are arranged to form geometrical patterns or stylized flowers.

Notes: for better stability, the seating is ballasted with sandbags.

Awards:

The Metamorfosi collection has been awarded the Green GOOD DESIGN AWARD 2023 and the NYCxDesign Award 2023 in the category of Environmental Impact.

The AZ Awards awarded the collection both as one of the best products selected in the Furniture Systems and Collections category and two Honorable Mentions, one for its design and one for its social impact.
