

Three-seater sofa and sectional elements with right and left arm.

Structure: Aurea Optima heat-treated ash wood panels, plastic spacers.

Seat cushion: independent, in recycled and biodegradable polyester fibre with insert in stress resistant expanded polyurethane and fixed foam covering in waterproofed polyester.

Back cushion: independent, in recycled and biodegradable polyester fibre with insert in stress resistant expanded polyurethane and fixed foam covering in waterproofed polyester.

Seat and back cushions upholstery: removable and available in the outdoor fabrics listed here below.

Notes:

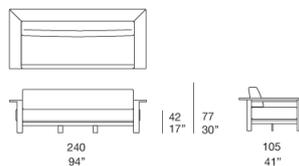

The panels in Aurea Optima heat-treated ash wood are treated to be oil and water repellent with a water-based finish that limits the absorption of liquids and greasy substances.

Frei composition do not require any coupling system.

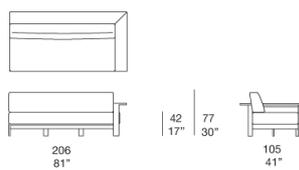

The product can be used also in interior environments.

We advise to use a Winter Set protection cover.
