

Dining chair.

The Sabrina series also includes an armchair.

Legs: sassafras heartwood:

- natural
- dyed dark brown
- gloss varnished.

The sassafras heartwood is treated to be oil and water repellent with a water-based finish.

Reference colours for the gloss varnishing: Mano Lucida wood sample collection.

Plastic spacers.

Seat padding: recycled and biodegradable polyester fibre with a stress-resistant polyurethane insert, fixed foam covering in water-repellent polyester. The seat is equipped with elastic belts.

Backrest padding: recycled and biodegradable polyester fibre with a stress-resistant polyurethane insert, fixed foam covering in water-repellent polyester.

Upholstery: fixed and available in the outdoor fabrics in the collection.

Notes:

Sassafras wood, either natural or dark dyed, is treated to be water and oil-repellent with a water-based finish that limits the absorption of liquids and greasy substances. The changing in colour, above all in the natural version, and the possible appearance of superficial splits are typical effects of the wood evolution over time.

This product can be used also in interior environments.

We advise to use a Winter Set protection cover.
