

Two- and three-seater sofa.

The series Alma also includes an armchair.

Structure: AISI 316 stainless steel, matt varnished in avorio or grafite basic colours, matt or gloss varnished in the colours in the collection (reference for colours: Mano Lucida wood sample collection). Adjustable spacers in stainless steel and rubber.

Structure upholstery: removable, in Rete fabric, avorio or grafite colour.

Seat and backrest pad: recycled and biodegradable polyester fibre.

Seat and backrest pad upholstery: removable and available in Whim fabric.

The seat and backrest pad is fixed to the structure by fiberglass rods; as an alternative, the desired quantity of the following accessories can be used:

Quilted pad: available both for the two- seater and the three- seater sofa, in recycled and biodegradable polyester fibre with fixed upholstery cover in Moss fabric.

Cushion 140×140 cm: divided into four sectors, knife hedges, padding in recycled and biodegradable polyester fibre, fixed upholstery cover in the fabrics Rope T mélange, Whim, Moss or Jabel.

Cushion 100×100 cm: box hedges, padding in recycled and biodegradable polyester fibre, removable upholstery cover in the fabrics Rope T mélange, Whim, Moss or Jabel.

Quilted pad 110×150 cm: divided into three parts, padding in recycled and biodegradable polyester fibre, fixed upholstery cover in Maglia Rasata or Maglia Moss knits.

Notes:
The removable Rete fabric cover of the Alma seating is connected to the steel structure through the use of plastic buttons and Rope cords. The position of the buttons emphasizes the seats geometries.
The seating pieces in this collection can also be used without the specific pads codes B250AM, B250BM and B250CM.
The cushions codes B250M and B250N can be also used on other seating pieces of the Aqua collection.
The product can be used also in interior environments.
We advise to use a Winter Set protection cover.

Awards: Alma series have been awarded with the ARCHIPRODUCTS DESIGN AWARDS 2025.
