

Three-seater sofa and sectional elements with right or left armrest.

**Structure:** bamboo panels, treated with a water-based finish that does not affect the wood colour and the naturalness of the surface. Plastic spacers.

**Seat cushion, back cushion:** independent and with removable cover, in recycled and biodegradable polyester fibre, insert in stress resistant expanded polyurethane, fixed foam covering in recycled and biodegradable polyester fibre and polyamide.

**Seat and back cushions upholstery:** removable and available in the indoor fabrics listed here below.

**Notes:**

The bamboo panels mature over time, changing in colour, compactness and texture, without this affecting their quality.

Frei composition do not require any coupling system.

Loose cushions are recommended for complete seating comfort.
